

# BARGAINS ON THE BLUFF

Welcome to Bluff Park United Methodist Church “Bargains on Bluff Consignment Sale”!  
We are excited that you are going to be a part of our sale and can’t wait to share in this time of fun and fellowship.

Sellers will receive 70% of their proceeds and the remaining 30% will go to help support the Children’s ministries of BPUMC, including our Preschool and Elementary Departments & PDO program “Little Imaginations”.

In order to run a successful sale we need sellers and **LOTS** of volunteers. There are a ton of different shifts Sunday – Sunday during this event. If you can work one or more shifts (3 hours each), please visit [www.bargainsonthebluff.com](http://www.bargainsonthebluff.com)

- A seller’s registration fee of \$15 is required to offset expenses of the sale. **This \$15.00 registration fee will be collected out of your check at the end of the sale.**
- Each Consignor must have a **minimum of 15 items** to participate.
- **A preview sale open ONLY to those who are selling and/or volunteering with us** will be held Thursday, before the public sale opens. This sale is strictly for Consignors and Volunteers and we will have someone there to check you in prior to shopping.

  - New & gently worn Children's clothing and accessories. Sizes Preemie thru junior for girls and sizes Preemie thru 18 for boys.
  - New & gently worn Ladies (CORRECT SEASON) clothing and accessories. Please remember that we will only accept clothing that is up to date and in style. Due to lack of space we are forced to be a bit pickier about the ladies shop.
  - **WE CANNOT ACCEPT CLOTHING THAT HAS PET HAIR OR A STRONG ODOR (SMOKE, MILDEW ETC.) We will be checking you in at drop off and will let you know of any unsaleable items at this time.**

  - Socks and accessories. Please place in zip lock bags and place tag inside the bag.
  - Ladies shoes **IN VERY GOOD OR EXCELLENT CONDITION ONLY.** Please secure shoes together if they have ties or loop straps and place them in zip lock bags and/or shoe boxes.   - Baby furniture such as changing tables and cribs. Use clear packing tape to attach tag. Have all hardware for assembly attached in a zip lock bag.   - Toys must be ***CLEAN*** and ready to play with.
  - Toys, puzzles and games must have all pieces. Toys with pieces should be sealed in zip lock bags and taped shut and attached to the largest piece. Wrapping puzzles in plastic wrap (like saran wrap) works well.

- Small toys may be combined in zip lock bags that are taped shut.
- Any items that are in Ziploc bags should have the tags placed inside the bag or well taped onto the bag.

**All items refused will be given back to the consignor at drop off time. If you do not wait for your items to be checked in and we in fact have items to return to you they will be donated.**

## **TAGGING YOUR ITEMS**

1. ***\*WE WILL COMPLY WITH THE LAW FOR ALL RECALLED ITEMS!*** To get a complete list of these items you may go to [www.cpsc.gov](http://www.cpsc.gov). PLEASE DO NOT BRING THESE ITEMS TO OUR SALE! ALL RECALLED ITEMS WILL BE DISPOSED OF.
2. ***PLEASE USE CHILDREN'S OR ADULT SIZE WIRE HANGERS TO HANG ALL ITEMS!!!!***
3. Go to our website [www.bargainsonthebluff.com](http://www.bargainsonthebluff.com) and register as a BOTB Consignor.
4. If you have never sold with BOTB AND/OR you do not have a User ID and password, then click on "New Consignor Registration" and follow the prompts. If you ever need to log on and can not remember your ID, click on "Forgot Password Or Consignor Number ?" or contact us at [bargainsonthebluff@gmail.com](mailto:bargainsonthebluff@gmail.com).
5. Sort all of your items by clothing, toys, equipment, etc. Regarding clothing, sort by gender and then size. Do this ahead of time and the process will go much faster.
6. Enter your sale items into our online system. Once at your "Consignor Homepage" click on "Work with Consigned Inventory" at the bottom of the list to the left. This should take you to a new menu named "**Consignor Item Entry**". Here you will choose what you want to do with your inventory. You may transfer any unsold items from previous sales to the current sale, if you have items that did not sell last year. Once you enter in your items, the pieces that DO NOT SELL this time will remain in your inventory and you can make them active for the next sale.
7. To begin entering in items. Click on the first option "Work with my consigned items (Active Inventory)" and then follow the prompts for each item. Check the checkbox for "Reduce" or "Donate" if you want the item reduced in price on Saturday, and if you want the item donated if unsold. If you don't check the boxes, the items will remain full price and will be returned if unsold.
8. Printing your tags or inventory list can be performed at anytime, at intervals or all at once when you finish entering your items. You can do this from the "**Consignor Item Entry**" menu. Please use **WHITE cardstock paper** when printing tags so that the bar codes will scan properly.
9. Once your tags are printed, make sure the bar-code is **clear and is not excessively dark** (if this is the case the ink will look to be blurry or smudged on the paper) (use "fast normal or fast draft" setting when printing – **NOT BEST quality**), then cut on the lines and attach to your items properly **PLEASE do not put tape on the bar-code**.
10. Pin tags with **Small to Medium SAFETY PINS ONLY** to the front right shoulder of the garment as shown below. (as if you are holding the garment facing you). Large Safety Pins make too large a hole, especially in knits. We cannot sell items without a tag, so be sure the tag is secure. **DO NOT STAPLE OR USE STRAIGHT PINS!**
11. **All clothes must be hung on WIRE hangers as shown.** (Make sure the hook is turned away from the tag). All shorts, pants and skirts will need to be hung as shown below with pins. If the shoulders of a garment look like they may slip off of the hanger, use safety pins to secure.

12. Any sets of clothing (2 or more pieces) that need to be hung on more than one hanger, please rubber band the hangers together and safety pin tag to the main piece (top or jacket). **USE THE WORDS "2 PIECE OR 3 PIECE SET"** in the description and price as one unit. If at all possible try to keep both pieces on the same hanger.
13. Attach tags to the outside of non-clothing items with clear packing tape. **BUT DO NOT COVER THE BARCODE!**
14. Please make sure all items are properly and securely tagged.

**We cannot be held responsible for items not tagged properly or tags that are not secured as stated above. Please double check all of your items before check in.**
